PowderFall 2017

Have you ever wanted to go to a PowderFall event? This year it was held at Aspen Snowmass, Colorado. There were over 800 attendees this year!

Courses...

Classes were held indoors and out over three magical days. OEC, OET, AVI, MTR and much more were going on. Avalanche dogs were showing their skills and vendors were busy helping patrolers demo their latest skis.

Vendors on-site...

Lots of vendors from around the country were on hand. Clothing, equipment, and everything in between that is patrol related were on display.

Swag, prizes & food

There was something here for everyone. Great discounts on great gear were all around, but you had to act fast while supplies lasted.

Snowmass slopes

Aspen Snowmass is a huge ski resort. This is one of Colorado's prize ski resorts and holding a ski patrol conference here was a real treat.

Last night at Snowmass

A lot was learned and shared at PowderFall 2017. Great memories and friendships were made here. It was hard to say goodbye, but we will all meet again for PowderFall 2019.

This was a fantastic opportunity for patrollers to gather and compare notes. I encourage all patrollers to attend one of these events. You will be very glad you did.

Cheers,

Evan W. Todd
